

01. Recycled Box using post consumer waste

We offer 100% post-consumer waste boxes suitable as a presentation box. With few eco box options in the current market, we've made sure to source only the best options available. With a 285GSM paperboard, it is the ideal brand box. The recycled box has full print options. Match it with your custom design or brand identity, and get ready to send out to customers.

Design features:

- 100% post-consumer waste box
- Ideal presentation box to show off your product
- Full print options
- 285GSM paperboard

Sizes Available

60 x 60 x 60mm
100 x 100 x 100mm

Note:

This box is not suitable as a mailer box.
Australian shipping only.

02. Moulded Pulp Clamshell box with sleeve

Moulded pulp is traditionally made from recycled paperboards or newspaper. Mostly used as a protective packaging for food or storage trays, such as egg boxes, it has quickly become a popular choice as an eco-package for a wide variety of products.

Design features:

- 100% recyclable
- Reusable packaging
- Contains no toxins or chemicals
- With a custom designed sleeve, embossed lettering, stickers and/or labels, it is the perfect addition to any brand packaging

Sizes Available	Sleeve Size
102 x 70 x 32mm	216 x 63.5mm
216 x 165 x 76mm	495.3 x 101.6mm

Note:

Packaging not shipped flat.
Packaging not approved for direct food contact.
